From the desk of the President.**January 2016.**

The calendar year 2015 is just about over for the SCDXC club.

Here are some of the events that went on during the year. The no host dinners at the Sizzler Restaurant before the monthly meetings, the presentation of the president's plaque and the black badge to Wayne Spring W6IRD, Valentine Day meeting when all the ladies got a flower and candy. The annual DX convention in Visalia, CA. the club picnic, Field Day for some of us, the summer bash hosted by the San Diego DX club, and to close out the year the Holiday Party. To accomplish these events it takes people, the membership and the board working together hand and hand and pulling together to make them happen.

I would like to say in my last article as the president of the Southern California DX Club "Thank You To ALL" who have made it happen in 2015.

Good DX in 2016.

Best of 73

Message from 2016 President

Doug Millar K6JEY

Happy New Year to everyone!

I am excited to be the incoming president for 2016. I am also very proud to have to work with a great board. HB Doug, the VP, has been setting up some very interesting speakers for us this year and I appreciate his efforts. I am looking forward to this year and know we will continue to do great things as a club.

I want to also thank everyone who helped me as Vice President this last year. This is a club that really pulls together and works together. We also enjoy being together. I enjoyed my duties last year for those reasons, and hope HB Doug will as well. I am looking forward to this year and I am certain it will be as good as the last.

73, Doug Millar K6JEY

Reminder—*Pre-Meeting Dinner:*

A number of members meet at Sizzler Restaurant at 17544 Hawthorne Blvd., Torrance, CA. 90504 (310-219-0800). Choices is just a few blocks from the meeting location.

INCOMING VICE PRESIDENT—DOUG DOWDS W6HB

: Welcome to another year of fun, frivolity and DX with YOUR SCDXC! Dr. Doug and I are working hard to make sure YOUR meetings have a little something for everyone.

January's program will feature the TX3X DXpedition to the Chesterfield Islands. Be prepared to see the trials and tribulations as reported by Arnie, N6HC, with assistance from David, N6HD. Despite less than optimum conditions the team did a stalwart job working to provide this entity for the "deserving."

Just to bait the hook for further into 2016, expect to learn a lot about horn speakers, the "magic" inside Elecraft's new speaker box, how communications is handled between good old mother earth and spacecraft, the latest from FlexRadio and a visit to the station and lab of Bob Heil, K9EID. Feel free to suggest any other programs you might have links to and or interest in.

In the mean time, get on the air, form up those old capacitors, generate some RF and find some DX. See you at the meeting after dinner at Sizzlers...

2015 Holiday Party

One of our members said it so clearly, nothing else needs to be mentioned:

Dear Southern California DX Club,

Happy Holidays to everyone and to your awesome SCDX C ommittee for a beautiful and well organized Banquet and Holiday Party! Thank you for the work you do to orchestrate this event every year! I am so happy and proud to be a part of this family of friends and truly sweet organization. I wish you all the best of this season and Happy New Year 2016!

The Luminaries Restaurant was perfect and the food was plentiful! The service was right on target, the prizes were great, and the company was warm with a circle of caring all around. Thank you for the way you make us all feel during the Holiday Times! We look forward to this wonderful event every year! It is truly a sweet tradition we all enjoy during the Season of Light! You light up our lives and that is a blessing.

Many blessings, Irene P. Brown N6OU,
